SHOEB SEHER

Founder, Economic Law Partners

I am a Corporate & Commercial lawyer in UAE with more than 11 years of experience most of which is gained working with Baker McKenzie Habib Al Mulla which is one of the best law firms in Dubai.

My practice primarily includes UAE commercial law, corporate law, employment law, and agency law with experience in mergers, acquisitions, commercial contracts drafting and review, employment, commercial agency, incorporating companies, and bankruptcy.

I am practicing law in the United Arab Emirates since 2008. I also have 4 months' secondment under my belt with a UAE telecom operator.

WHY CHOOSE US?

01- THE PASSION

Having a passion for the work is my fundamental factor for success. My passion towards the law field helps me in experiencing increased happiness, fulfillment, and better results.

03- NOVEL APPROACH

With extensive experience and in-depth knowledge, my goal is to provide exceptional and efficient legal advice to my clients across various sectors, including litigation, real estate, company formation, startups, employment, and more.

02- OUR BELIEFS

The conventional billing practice based on time spent can be perplexing, as it values quantity over quality and leads to unexpected costs for clients. I, on the other hand, prioritize providing value-aligned suggestions and advice, ensuring budget certainty for my clients.

04- STRATEGIC PRICING

At Economic Law Partners, I ensure that my clients receive top-notch services at reasonable prices. You'll be pleasantly surprised when you calculate the cost of my services compared to the value you receive, as it tends to be lower than that of most large firms in Dubai.
